## Welcome to the Denham Springs High School Class Registration System for 2024-2025

**IMPORTANT INFORMATION - PLEASE READ:** Students will select courses for the 2024-2025 school year from the courses listed. All students must have a full schedule of eight (8) classes/credits. When selecting courses, students and parents should consider graduation requirements, college entrance requirements, and TOPS requirements. To enter online course requests, click on the yellow pencil and the courses offered for that subject area will appear. Remember to click "SUBMIT" once you are finished entering all courses. A copy of your current course registration screen will appear. If it is correct, print and sign it. This signed sheet **MUST** be turned in to the student's English teacher. This signed copy also serves as written confirmation of receipt of current diploma requirements and TOPS requirements. Students can login to PowerSchool to make schedule corrections until the course registration period closes on **MONDAY, MARCH 8, 2024 at 3:00 pm**. Once course registration is closed, schedule changes will not be permitted. If you make changes, be sure to update your printed page with your English teacher.
